### Whole School Assembly/Amazing Tamariki

We ended our week last week with a beautiful Whole School Assembly. I was so very proud of our students (your beautiful children). Not only did they look so smart and proud in their school uniform, they sat respectfully, sung with heart and confidence, and celebrated all the achievements with such authenticity. Thank you for teaching your children manners and having high expectations in your whanau. In combination with what we expect at Te Kura o Wairau, what my amazing kaiako teach and facilitate in their classrooms and how you are parenting and loving your children we are growing kind, caring students who have a real sense of belonging here and in their families.

### Student Leaders

Our Student Leaders led our Whole School Assembly last week with pride and confidence. Arapeta opened our hui and during this shared his pepeha with us. Te Ahumairangi closed our hui and shared her pepeha during this. Our other Student Leaders ran the assembly supporting each other as they went. Congratulations Student Leaders. It is fabulous to see you leading and role modelling in this space throughout the term. Well done Mrs Alefaio for the coaching and mentoring of our Student Leaders. The hard work is showing in their public roles and around our kura every day.

### Mihi Whakatau/Powhiri

2 weeks ago we hosted 12 PHD Students from Thailand. We welcomed them by having a mihi whakatau. Whaea Darnielle began this process with a karanga. Our kura then called them into our hall with our haka powhiri. Our Student Leaders joined myself, Mrs Alefaio and Whaea Darnielle on the paepae. Arapeta did our whaikorero for us and then we sung our waiata in support of Arapeta's korero. I was so proud of Arapeta for taking on board this really important role. Thank you Whaea Breanna for the awahi you have been giving him so he could be this successful.

### New Sand & New Garden

We have new sand in our senior playground sandpit. It is quality sand that always stays damp and is fabulous for building sandcastles. It has been a very popular place for our students to go during our breaks. We have had to do some teaching around dusting the sand off after they've finished playing in there, and washing their hands in the bathrooms. I do apologise if you have found some sand coming home and going through the wash. We are trying hard to prevent this. Thank you Mr Arnold and Pa John for helping to get our new sand.

We have also made an improvement in the small sandpit that was outside Rooms 11 & 12. This has now become a new garden that has a very special plant in the centre. It is a pohutakawa tree which has a deep spiritual meaning for Maori. It is protected by 2 beautiful green and black grasses. Thank you Pa John for planting these treasures for us.

### BHB - Barbers

Some of our boys across our kura were fortunate enough to be chosen to have their hair barbered for free in our hall. We are extremely grateful for this opportunity. The boys were really chuffed, and the barbers were also happy to have a chance to practice their skills at our kura. Look how handsome they look. Thank you Quade for organising this for us.

## Plant to Plate

Room 1 had an awesome time with Plant to Plate. We learnt about the importance of carrying and using equipment in our kitchen. We also learnt how to look after and plant seeds in our gardens and why it is important to have a garden. In the kitchen we cooked mini apple pies, creamed potatoes with rosemary and cheese, cauliflower fried rice, rhubarb spritzer (drink), feijoa, lemon and coconut muffins and vegetable pinwheel scones. We then set up the hall restaurant style to enjoy our kai together.

Thank you 'Plant to 'Plate for sharing a fun experience of learning and cooking with us.

## Kahikatea Trip

On Friday 5<sup>th</sup> of May, Kahikatea visited Victoria Esplanade, Te Marae o Hine, and The Art Gallery. The first two sites are important historical sites and gave us the opportunity to learn more of our local history. At the art gallery, we were blessed to view artworks by Māori master of colour and kōwhaiwhai, Dr Sandy Adsett. Whilst there we were also able to view local Chinese artist Tess Ma'auga's exhibition.

At the Esplanade and the art gallery, we were complimented on the behaviour and manners of our students. We are very proud of them.

Tino pai rawe Kahikatea!
